Forever Worlds
ENTER THE UNKNOWN

Introduction

When world famous paleontologist, Doc Maitland, finds the powerful, mythic tree he's been searching for all his life, he has no idea of the enormous extent of its power. When he vanishes, his daughter Nancy and her partner, Doctor Jack Lanser, an archaeological detective, pick up the Doc's trail in the deep jungle of the Amazon headwaters.

While trying to find his senior mentor, Jack is caught by a spell of a different nature and must find his own way through a chain of non-parallel dimensions to figure out how to prevent it all from taking place before it even happens. In danger of being lost for an eternity, Jack journeys through a strange and amazing universe to save himself and Doc Maitland from the Forever Worlds.

Forever Worlds is a 1st person adventure game that transports the player into a series of surreal and immersive worlds where magic and fantasy merge with beautiful images and an evolving and intriguing storyline. Intuitive interfaces and navigation combine with an extensive inventory of collected items and fully integrated puzzles to propel the storyline of a powerful and mythic tree located deep in the jungle of the Amazon headwaters, taking you on an amazing journey through a chain of suspended worlds and alternate dimensions.

Inventory Menu

During gameplay, there will be numerous items that you will collect into inventory. These inventory items will be stored in the Inventory Menu. You may access the Inventory Menu by positioning your cursor over the round button on the lower right portion of the gameplay screen.

It is from the Inventory Menu that you will be able to select the inventory item you wish to use during gameplay. Open the Inventory Menu and select the item you wish to use from the inventory items by double-clicking the cursor on that selected item. The image will appear larger in the middle of the Inventory Menu screen. Click on the round button again to return to gameplay. The inventory item will become part of your cursor.

If the inventory item you have selected is not the correct one for use in that situation, it will disappear from your cursor back into inventory.

If the inventory item is positioned at the appropriate location, the item will become slightly larger.

Saving Your Game

Click the right mouse button to access the Main Menu. Type in the name of the game you wish to call this saved gameplay location and select Save Game. A confirmation screen will appear. Select Ok and you will be returned to gameplay.

Please note: As Forever Worlds is a challenging game, we recommend that you save your game often!

Loading a Saved Game

Click the right mouse button to access the Main Menu. Select a previously saved game you wish to load, indicated by the name of the saved game, select Load Game. A confirmation screen will appear. Select Ok and you will be taken to that area of gameplay.

Quit Out of the Game

Click the right mouse button to access the Main Menu. From this menu, select Exit Game to quit out of the game.

DREAMCATCHER INTERACTIVE, INC.
End-User Software License Agreement

This Software License Agreement ("Agreement") is a legally binding agreement between DreamCatcher Interactive Inc. ("DreamCatcher") and you. Please read the Agreement carefully before using the software. If you have any questions about it, we encourage you to seek independent legal advice. By clicking on "I AGREE," you are agreeing to be bound by the terms of this Agreement (by law, clicking on the "I AGREE" button constitutes a valid signature). If you do not agree to be bound by the terms of this Agreement, please cancel the installation of this application and return the product to your point of purchase for a refund.

1. License. DreamCatcher grants you a non-exclusive, non-transferable limited license to use, for your own personal, non-commercial use, the application(s), demonstrations, data files, graphic images, and other software, whether on disk, compact disc, in read-only memory, or on any other media (the "Application Software"), and the related documentation. ("License").

2. Intellectual Property. While you own the media on which the Application Software is recorded, DreamCatcher retains all rights to the Application Software and related documentation. The Application Software contains copyrighted material, trade secrets, trade marks and other proprietary material which is protected by intellectual property laws. The copying, redistribution, selling or publication of any part of the Application Software is strictly prohibited.

3. Representations and Warranties. You represent and warrant to DreamCatcher as follows:

(a) You are responsible for supplying your own equipment and operating system for using the Application Software, and for keeping it in good working order, at your own expense;

(b) You will use the Application Software for your own personal entertainment and not for any commercial purpose;

(c) You will not copy, decompile, reverse engineer or disassemble the Application Software, or otherwise reduce the Application Software to a human-perceivable form;

(d) You will not modify, network, rent, lease, distribute or create derivative works based upon the Application Software in whole or in part;

(e) You will not electronically transmit the Application Software from one computer to another or over a network;

(f) You will not make any attempts to discover the source code of the Application Software, or create any derivative works.

4. Termination. This Agreement is effective until terminated. You may terminate this Agreement at any time by destroying the Application Software and related documentation and all copies thereof. DreamCatcher can terminate this Agreement at any time if it determines you have failed to comply with any provision of this Agreement. Upon receiving notice of termination from DreamCatcher, you must immediately destroy the Application Software and related documentation and all copies thereof.

5. DreamCatcher Media Warranty. DreamCatcher warrants that for one year from date of original purchase, the compact disc used to distribute the Application Software shall be free of all manufacturing defects. Additionally, for the same one year period, DreamCatcher will replace, free of charge, any compact disc that may be damaged in any way. You must return the defective or damaged compact disc along with proof of purchase and signed warranty card. A postage and handling charge of US$8.00 must accompany the order. (Please note: Add US$2.00 for each additional disc.)

6. Disclaimer of Warranty on Application Software. The Application Software and related documentation are provided AS IS and without warranty of any kind, and DreamCatcher expressly disclaims all warranties, expressed or implied, including but not limited to, the implied warranties of non-infringement, merchantability and fitness for a particular purpose. DreamCatcher does not warrant that the functions contained in the Application Software will meet your requirements, nor that the operation of the Application Software will be uninterrupted or error-free, or that defects in the Application Software will be corrected. Furthermore, DreamCatcher does not warrant or make any representations regarding the use or the results of the use of the Application Software or related documentation in terms of their correctness, accuracy, reliability, or otherwise. No oral or written information or advice given by DreamCatcher or a DreamCatcher-authorized representative shall create a warranty or in any way increase the scope of this warranty. Should the Application Software prove defective, you (and not DreamCatcher or a DreamCatcher-authorized representative) assume the entire cost of all servicing, repair or correction. Your expressly acknowledge and agree that use, quality and performance of the Application Software is at your sole risk.

7. Limitation of Liability. Under no circumstances, including negligence, shall DreamCatcher, its shareholders, subsidiaries, officers, directors or employees be liable for any indirect, incidental, special or consequential damages that result from this Agreement or your use or inability to use the Application Software or related documentation, even if DreamCatcher or a DreamCatcher-authorized representative has been advised of the possibility of such damages. In no event shall DreamCatcher' total maximum liability to you for all damages, losses, and causes of action (whether in contract, tort or otherwise) exceed the total amount paid by you for the Application Software. Any allowable claim must be brought against DreamCatcher no later than sixty (60) days after the date of the event giving rise to such claim.

8. Indemnity. You agree to indemnify and hold harmless DreamCatcher, its shareholders, subsidiaries, officers, directors and employees in respect of any claims, demands, causes of action, liability, damages, costs, fines, expenses (including legal fees) that result directly or indirectly from your use or misuse of the Application Software or any violation of this Agreement.

9. Governing Law, Language and Severability. This License shall be governed by and construed in accordance with the laws of the province of Ontario and any disputes arising from this Agreement shall be adjudicated in the courts of the province of Ontario. The original version of this Agreement is in English, and any interpretation will be based on the English text. In the case of any discrepancy between a translated version and the English text, the English version will prevail. If for any reason a court of competent jurisdiction finds any provision of this Agreement or portion thereof to be unenforceable, that provision shall be enforced to the maximum extent permissible so as to effect the intent of the parties, and the remainder of this Agreement shall continue in full force and effect.

10. Complete Agreement. This License constitutes the entire agreement between DreamCatcher and you with respect to your use of the Application Software and related documentation, and supersedes all prior or contemporaneous understandings or agreements, written or oral, regarding such subject matter. No amendment to or modification of this Agreement will be binding unless in writing and signed by a duly-authorized representative of DreamCatcher.

Warning To Owners Of Wide-screen Projection TV's

Still pictures or images may cause permanent picture tube damage or mark the phosphor of the screen. Avoid repeated or extended use of video games on large screen projection televisions.

Epilepsy Warning

Please read this caution before you or your child play a video game:

Certain people are susceptible to epileptic fits or lose consciousness after exposure to flashing lights or light patterns in our daily environment. Such people may have a seizure while watching particular televised images or when they play some video games. This phenomenon may appear even if the subject has no history of previous difficulties.

If you or a member of your family has ever had symptoms related to epilepsy (seizures or loss of awareness) when exposed to flashing lights, please consult your doctor prior to use.

We advise that parents supervise the use of video games by their children.
If you or your child experience any of the following symptoms while playing a video game: dizziness, blurred vision, eye or muscle twitches, loss of consciousness, disorientation, any involuntary movement or convulsion, immediately discontinue use and consult your doctor.

Standard Precautions When Playing Video Games:

- Do not stand or sit too close to the screen. Position yourself as far away from the screen as the length of cable allows.
- Play video games on a small screen (preferably).
- Avoid playing if you are tired.
- Make sure that the room in which you are playing is well lit.
- Rest for a period of 10 to 15 minutes for every hour you play a video game.
